THE CITY OF HATTIESBURG

One of America's Great Small Cities!

Anthony Parker, Chief of Police

MEMORANDUM

To: Mayor Johnny L. DuPree and City Council

From: Anthony Parker, Chief of Police

Date: December 28, 2015

Re: Purchase of Service Weapon

Captain Peggy Sealy retired from the Hattiesburg Police Department effective November July 20, 2015. I am requesting that the Hattiesburg Police Department Benefit Fund is allowed to purchase his service weapon per MS Code 45-9-131, which allows a member of any law enforcement agency who retires under any state retirement system to purchase as his personal property one (1) side arm which was issued to him by the law enforcement agency from which he retired. The governing authorities of the municipality shall determine the amount to be paid for the firearm for the retiring member of the law enforcement agency.

The Training Director was tasked with acquiring a "trade in" value of the weapon to be purchased. The trade in value is considered to be $200.00-$250.00. I respectfully request the purchase amount for the weapon to be $100.00 for the Hattiesburg Police Department Benefit Fund. The following is a description of the weapon to be purchased.

Captain Peggy Sealy Glock 22, 40 caliber, serial number MVH768, City ID 17298

Mayor Johnny DuPree, PhD

Hattiesburg, MS 39403-1898

Dear Mayor DuPree,

Greetings from VisitHattiesburg.

Please allow me to use this letter to request consideration of Mr. Anthony Harris as an at-large Board Member of the Hattiesburg Tourism Commission.

Mr. Harris is the District Manager for the Hattiesburg/Lamar area of Pearl River Valley Electric Power Association. In addition to his role as District Manager, he also serves as an engineer for PRVEPA. He is active in support of youth sports as well as other community programs, but perhaps most important is his role in the provision of utilities in western Hattiesburg. Our experience has been that individuals involved in utilities understand the importance of overall economic development and the growth of industry in our community.

Pearl River Valley Electric Power Association was one of the first sponsors of the Hattiesburg Tourism Commission's efforts to bring international Olympic teams to Hattiesburg for training in the mid-1990's. You may recall that Hattiesburg gained worldwide recognition for that effort and we remember that PRVEPA saw the vision immediately and financially supported that endeavor. Their support allowed Hattiesburg to host athletes for the betterment of our community while exposing the world to the unique city we call home.

Having a representative such as Mr. Harris on the Tourism Board allows for a broader regional perspective to be a part of our governance. While VisitHattiesburg's efforts are focused on generating new spending in Hattiesburg, we know that visitors come to the Pine Belt for many reasons such as outdoor activities, youth sports, cycling, and many other activities. Some of these activities take place outside of the Hattiesburg city limits, but most of the spending occurs within our city. As such, we work collaboratively to promote the Pine Belt region along with Hattiesburg proper. We believe that Mr. Harris would be a welcome addition who knows from his work that a broader geographical view of industry (in our case, tourism) benefits Hattiesburg and its residents.

With tourism spending by visitors at over $258 million each year, and employing over 4,000 persons in Forrest and Lamar counties, we seek to increase our momentum and value to the community. The Commission, which was recently named Mississippi's 2015 Tourism Agency of the Year by the Mississippi Tourism Association, needs individuals such as Anthony to serve as Board Members to guide us forward. Anthony will join six other Board members who represent the Hattiesburg hotel industry, economic development, University of Southern Mississippi, and the broader Hattiesburg area, in leading the Hattiesburg Tourism Commission in all of its efforts.
