*City Council
Special Called Meeting*

1. [2015-2363](#)

Approve or Deny to adopt a resolution re-affirming the City's selection of a land application wastewater treatment system ("LAS") as its preferred solution for the City's future wastewater treatment needs; suspending the city's current dual track design process, whereby the City had contracted for the design of an alternative mechanical wastewater treatment plant; authorizing the Mayor and/or City Council to enter into a contract with engineers to provide design and engineering services for the LAS; authorizing the Mayor and/or City Council to enter into a contract to acquire pre-tested properties for the city's use in the proposed LAS; and authorizing the Mayor and/or City Council to employ professional appraisers to appraise real property for the purpose of the City purchasing or leasing such property for use in the LAS Project.
