SOUTHERN PINES ANIMAL SHELTER CONTRACT

This contract between The City of Hattiesburg and Southern Pines Animal Shelter (hereinafter the "Contract") is made as of October 1, 2020, (the "Effective Date") by and between CITY OF HATTIESBURG (hereinafter Hattiesburg City or The City) and SOUTHERN PINES ANIMAL SHELTER (hereinafter "Southern Pines").

WHEREAS, Southern Pines constitutes an animal shelter on property that it owns in Hattiesburg City (hereinafter "Animal Shelter"); and

WHEREAS, the City deems it to be in the best interest of the citizens of Hattiesburg City to enter into a Contract with Southern Pines for the operation and administration of the Animal Shelter for animals intaked by Hattiesburg Animal Control and citizens of Hattiesburg City including prevention of, response to, and disposition of abused, abandoned, unwanted and stray companion animals (canines and felines); and

WHEREAS, The City and Southern Pines have agreed to this new Contract that will supersede and replace any previous agreements;

THEREFORE, the parties to this Contract, in consideration of these promises, the mutual covenants and conditions contained herein and other valuable consideration by each party hereto, do hereby agree to terminate existing agreements as of the Effective Date and covenant and agree as of the Effective Date as follows:

#### Article I. Services

Section 1.01 Southern Pines shall have physical possession and control of the Animal Shelter and be responsible for ongoing maintenance of the building and all animals on the Animal Shelter premises.

Section 1.02 During the Term of this Contract, Southern Pines shall receive and provide for the humane disposition of dogs and cats running at-large, and such other animals as delivered into its custody by agents and citizens of Hattiesburg City which can be safely and adequately kept by Southern Pines until time of disposition.

Section 1.03 Residents of Hattiesburg City will receive a 50% discount on surrender fees of all dogs and cats surrendered to Southern Pines Animal Shelter during the 12-month term of this contract.

For the 2020-2021 Contract, the following are the surrender fees set forth by Southern Pines; citizens of Hattiesburg City will receive a 50% discount on these fees:

- \$80 per dog
- \$0 per litter of puppies (under 6 months) with or without the mother
- \$100 per cat
- \$100 per litter of kittens with or without the mother

Section 1.04 In the case of large or exotic animals, livestock, and wildlife, or under unusual circumstances where the chief executive of Southern Pines or his/her designee reasonably determines that an animal(s) cannot be adequately, safely, or humanely housed at the shelter, or if the projected length of stay will adversely impact the animal's health as determined by Southern Pines' veterinary staff and/or chief executive of Southern Pines or his/her designee, Southern Pines will decline to accept the animal into its care.

Section 1.05 Southern Pines agrees to hold all stray dogs for a period of 5 days to allow owners adequate time to reclaim their lost pets. Animals surrendered to Animal Control or the Animal Shelter by an owner will not be held for any stray hold period. It is not the duty of the shelter to verify the authenticity of ownership.

Section 1.06 Animals determined to be ill or injured to such an extent that it would be inhumane to allow said animals to live or be deemed a threat to the health and safety of Southern Pines' staff or the public based on the animal's behavior, Southern Pines shall have the right to dispose of the animals in a humane manner, in accordance with state law and at the discretion of Southern Pines' veterinary staff and/or chief executive of Southern Pines or his/her designee.

Section 1.07 No holds may be placed on any animal(s) by Hattiesburg Animal Control or The City, except in the case of pending bite quarantine, court cases, or court order. Pets may be returned to their owners at any time after impoundment at the discretion of Southern Pines, except in cases of pending bite quarantines, court cases, or court order.

Section 1.08 It is the responsibility of Southern Pines to collect any reclaiming owner's contact information to be shared with Hattiesburg Animal Control or The City at their request. Southern Pines shall require that all persons who wish to reclaim possession of their pet show proof of ownership and pay redemption and boarding fees as set by Southern Pines. Photographs of the pet and/or medical records for the pet may constitute proof of ownership. Owners are not required to show proof of ownership if the pet has a nametag or microchip registered to the reclaiming owner.

For the 2020-2021 Contract, the following are the return to owner fees set forth by Southern Pines:

- An animal that enters the Animal Shelter with identification (ID tag or microchip) will not be subject to any return to owner fees if the animal is reclaimed within 24 hours of impoundment. If the animal is not reclaimed within 24 hours after impoundment, regular fees apply.
- An unaltered animal that will be reclaimed intact: \$200 + \$20 per day of impoundment
  - Each additional offense adds \$150 to the base return to owner fee (ie. second offense= \$350 + \$20 per day of impoundment)
- An unaltered animal that will be fixed and microchipped upon reclamation: \$25 total
- Altered animals reclaimed at any point, with or without microchipping: \$25

Section 1.09 Southern Pines will alter, immunize against rabies, ear-clip, and release all at-large cats (hereinafter "Community Cats") back to the place where they were initially impounded regardless of the animal's intake type, age, or temperament as long as Southern Pines determines the animal to

be reasonably healthy. Neither Animal Control nor The City reserve the right to make exceptions to this Section. Community Cats determined to be nuisance animals by Southern Pines and the City of Hattiesburg will be provided with a disposition that is in the best interest of public health and safety, as determined by Southern Pines, in accordance with State law (may include euthanasia).

Section 1.09A Community Cats may be determined to be nuisance animals if they meet all of the following criteria: 1. They have been previously impounded to the shelter, fixed, vaccinated, ear-clipped, and released 2. The complainant signs a Nuisance Cat form recognizing that the cat may be euthanized 3. The impounding Animal Control officer provides the signed Nuisance Cat form to Southern Pines staff; this form must accompany the cat and will not be accepted later 4. If any of these criteria are not met, the cat will be released as per Section 1.08

Section 1.10 Southern Pines agents will accompany Hattiesburg law enforcement on suspected animal abuse cases at their request and render their professional judgment regarding the health, safety, and humane conditions of suspected abuse cases. Southern Pines will provide mentorship regarding the Mississippi animal cruelty law and will be available for court proceedings that result from abuse cases.

Section 1.11 Southern Pines agents will humanely remove all impounded animals from Animal Control vehicles. These animals shall immediately be placed in a suitable enclosure. Southern Pines agents will sanitize the Animal Control vehicle after each impoundment with chemicals and tools provided by Southern Pines. Southern Pines will provide this service at no additional cost to The City or Animal Control.

Section 1.12 In the case of after-hours impoundments, Animal Control officers will be in possession of a key to the Animal Shelter. Animal Control officers must place animals impounded after hours in appropriate housing in the assigned temporary holding room inside the main kennel building at the Animal Shelter. Adult dogs unable to be housed in the temporary holding room may be placed in the designated After Hours Holding Pen. This Holding Pen is designated with a sign reading "ACO After-Hours Run" and must have four sides and a secure top and latch. The holding pen will be located in a convenient and safe location for Animal Control access. A Southern Pines agent must be notified of any after-hours impoundment where the animal is deemed to be medically or behaviorally unsound. Southern Pines will not accept after-hours intakes of animals with medical injury or illness, and the City will be responsible for alternative after-hours intakes in these cases. Southern Pines agents will be dispatched to retrieve the animal the next business day.

Section 1.13 Following any legal holding period, all animal(s), including at-large animals, not redeemed by their owners shall be provided with a disposition that is in the best interest of public health and safety, as determined by Southern Pines in accordance with State law (may include euthanasia).

Section 1.14 Southern Pines will not be expected to offer assistance in the form of emergency management of displaced pets during natural or other disasters. If this assistance is requested by the City, a separate meeting will be held to agree upon what services Southern Pines can provide and determine financial reimbursement from the City for said services.

Section 1.15 Southern Pines shall employ a competent and qualified agent for executing the responsibilities under this Contract who shall report to the Board of Directors of Southern Pines.

Section 1.16 The operation, supervision, and management of the Animal Shelter shall be under the sole control of Southern Pines; however, The City or its designated agents may at reasonable time enter in or upon the subject premises for purposes of inspection, observation, and performance of an operational audit. Additionally, Southern Pines shall designate a space for Animal Control officers to speak with reclaiming owners in private.

Section 1.17 Southern Pines is not responsible or liable for any equipment owned by The City or Animal Control that is left on Animal Shelter property.

Section 1.18 Southern Pines will conduct one free dog and cat rabies vaccination clinic to citizens at no additional cost to The City during the Contract period.

Section 1.19 Southern Pines shall keep full and accurate operational records on all animals delivered into its custody by Animal Control and citizens, which records shall, among other information, include the date, place, reason, and manner whereby animals were brought into custody, together with a description of the animal and a record of its final disposition. All such records of Southern Pines shall upon reasonable request by The City be made available to The City or its designated agents for auditing purposes.

Section 1.20 Southern Pines shall provide an annual Financial and Expenditure Report to the City of Hattiesburg in accordance with generally accepted standards.

Section 1.21 Nothing herein shall impair the ability of Southern Pines, at its discretion, to receive and provide for the humane disposition of dogs and cats running at-large or delivered into its custody by municipalities or citizens. Any fees or expenses paid to Southern Pines from municipalities, citizens, or granting organizations and any moneys collected by Southern Pines as a result of fund-raising, program services, or other activities shall be the Southern Pines' sole money and not a set-off against fees to be paid by The City.

Section 1.22 Southern Pines reserves the right to limit and or halt all intakes from Animal Control, Hattiesburg City, and all other municipalities in times of national, state, or local emergency; pandemic; internal emergencies; overcrowding; disease outbreak; and supply and/or staffing shortages. Southern Pines will notify the Animal Control supervisor and city officials in cases where intake must be limited or halted and will implement a plan for normalizing intake as soon as possible.

Section 1.23 Southern Pines will not be compelled to euthanize animals where such euthanasia goes against the mission of our organization and/or city ordinance.

- (9) All purchases must be made consistent with State Laws and Purchasing Procedures.
- (10) Allowable costs shall be reduced by **all** income, including, but not limited to, farebox revenue and contract revenue (excluding revenues derived from human service agency contracts), received by the CONTRACTOR for services provided under this program or for any other use of equipment

purchased through this program. Allowable costs may include eligible costs that are paid by the CONTRACTOR using local contributions that are not required as a part of the match for this project. Local contributions may be added to funds committed to the project budget to further the purposes of the project.

- c. Documentation of Project Costs. All costs charged to the Project, including any approved services performed by the CONTRACTOR or others, shall be supported by properly executed payrolls, time records, invoices, contracts, or vouchers evidencing in detail the nature and propriety of the charges. Only those services which have already been performed by the CONTRACTOR shall be submitted for reimbursement.
- d. Certification Regarding Application and Budget. The CONTRACTOR acknowledges that the CITY has relied upon the CONTRACTOR'S application and budget in executing this Agreement. The CONTRACTOR certifies that its application and budget are truthful, accurate and complete and that **all** revenues and expenses related to this project, irrespective of the source, are properly reflected on the CONTRACTOR'S application and the approved budget. The CONTRACTOR further acknowledges and agrees that any misstatement in the application or budget constitutes grounds for immediate termination and/or cancellation of this Agreement.
- e. Establishment and Maintenance of Accounting Records. The CONTRACTOR shall establish and maintain separate accounts for the PROJECT, either independently or within the existing accounting system, to be known as the Project Accounts. The accounts shall be capable of segregating, identifying and accumulating the allowable project costs.
- f. Payment. The CITY will provide payments to the CONTRACTOR for allowable costs that have been paid by the CONTRACTOR when such costs are supported by a properly executed request for payment and related invoices. Payments, at the discretion of the CITY, may be made in accordance with the advance payment request procedures as outlined in 49 CFR, Part 18.21 or the guidance provided by FTA Circular 5010.1D, Grant Management Guidelines and any amendments thereto. The CONTRACTOR shall invoice the CITY at least monthly but not more often than two (2) times in any one month for payment of costs incurred and deemed allowable as defined by Section 4(b). Reimbursement requests must be submitted in accordance with schedules that allow for payments to be approved by the Hattiesburg City Council during regular meetings which are held routinely on the First and Third Tuesday of each month.

The itemized request for payment, including invoices, shall be reviewed and approved by the MPO staff and City of Hattiesburg Accounting staff. Any rejected or unaccepted costs shall be borne by the CONTRACTOR.

The CONTRACTOR agrees that reimbursement of any cost, in accordance with the indicated payment methods, does not constitute a final decision by the CITY about the allowability of that cost and does not constitute a waiver of any violation by the CONTRACTOR of the terms of this agreement. The CONTRACTOR understands that a final determination concerning allowability will not be made until an audit of the project has been completed. If the CITY determines that the contractor is not entitled to receive any part of the federal funds requested, the CONTRACTOR will be notified in writing. Close-out of this project will not alter the CONTRACTOR'S obligation to return any funds due to the CITY as a result of later refunds, corrections or other transactions. Project

close-out will not affect the CITY'S right to disallow costs and recover funds on the basis of a later review or audit.

- g. Invoices: This CITY requires that all CONTRACTORS submit invoices electronically throughout the term of this agreement and/or contract. CONTRACTOR invoices shall be submitted to the CITY using the processes and procedures identified by the CITY, which are known and/or available to the CONTRACTOR. CONTRACTOR understands that the CITY is exempt from the payment of taxes. All payments shall be in United States Currency.

Final payment will be made after review and approval by the CITY of documentation of the completion of the PROJECT and/or any audit documents as may be applicable. The CITY reserves the right to amend or withdraw this award at any time prior to its acceptance by the CONTRACTOR.

- h. Disallowed Costs. In determining the amount of Federal assistance the CITY will provide, the CITY will exclude all PROJECT costs incurred by the CONTRACTOR prior to the date authorized by this Contract Agreement, and any costs attributable to goods or services received under a contract or other arrangement which has not been concurred in or approved in writing by the CITY.
- i. Prohibition Against Use of Federal Funds for Lobbying.

- 1. The CONTRACTOR or any sub-recipient shall not use Federal assistance funds and funds provided by way of this contract for publicity or propaganda purposes designed to support or defeat legislation pending before Congress.

- 2. The CONTRACTOR agrees that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

- j. Interest/Excess Payments. The following requirements apply to the CONTRACTOR: Upon notice by the CITY to the CONTRACTOR of specific amounts due, the CONTRACTOR shall promptly remit any excess payment of amounts or disallowed costs to the CITY. Interest may be assessed from the time of notice and charged for any amounts due to the CITY that are not paid.

- k. Deobligation of Funds. The CITY reserves the right to deobligated unspent funds prior to project close-out.

## **Section 5. Reports and Records.**

- a. The CONTRACTOR shall advise the CITY in writing regarding the progress of the PROJECT at such time and in such format as the CITY may require, including but not limited to meetings and interim reports. The CONTRACTOR shall collect and submit to the CITY at such time as the CITY may require, such financial statements, data, records, contracts, and other documents related to the PROJECT as may be deemed necessary.
- b. The CONTRACTOR and subcontractors shall retain all records pertaining to this PROJECT for a period of three (3) years from the date of final payment by the CITY to the CONTRACTOR. However, if any litigation or legal action, by or on behalf of the state and federal government has begun that is not completed at the end of the

(3) year period, or of audit finding, litigation or legal action has not been resolved at the end of the (3) year period, the records shall be retained until resolution.

**Section 6. Review / Audit, Inspection and Close-out.**

- a. CONTRACTORS must prepare an annual Statement of Revenues and Expenditures for the current year ending September 30. The Statement of Revenues and Expenditures, along with a computation of Job Access Reverse Commute funds due the contractor must be submitted to the CITY within one hundred and twenty (120) days of the end of the period of performance listed in Section 3. Failure to submit the Statement of Revenues and Expenditures and the supporting documentation may result in the forfeiture of the retainage withheld by the CITY.
- b. To the extent required, the CONTRACTOR shall cause an audit to be performed in accordance with OMB Circular A-133 as amended and guidance provided by the CITY. The audit, if required, shall be submitted to the CITY within one hundred eighty (180) days of the period of performance listed in Section 3. Failure to acquire an audit, if and as required, without substantial justification in the opinion of the CITY and written concurrence from the Director of Urban Development, will result in the forfeiture of the retainage withheld by the CITY, but not limited thereto. Such retainage may be used to pay the cost of an audit or assessment of the project. Any retainage that subsequently remains may be released to the project upon approval by the Mayor and Hattiesburg City Council.
- c. The CONTRACTOR shall permit and shall require third party contractors to permit the Director of Urban Development of the City of Hattiesburg or their authorized representatives to inspect all vehicles, facilities, equipment, materials, and supplies purchased by the CONTRACTOR as part of this project, all transportation services rendered by the CONTRACTOR by the use of such vehicles, facilities and equipment, and all relevant payrolls, project data and records. The CONTRACTOR shall also permit the above named representatives to audit the books, records and accounts of the CONTRACTOR pertaining to the Project.
- d. The CONTRACTOR agrees that any amounts to be refunded to the CITY shall be repaid within 30 days of written notification by the CITY. Failure to do so may result in delays or suspension of subsequent invoice payments. At a minimum, the following circumstances may result in requests for repayments/refunds:
  - (1) excess program generated income;
  - (2) excess contributed income;
  - (3) other excess income.
- e. Project close-out occurs when the CITY notifies the CONTRACTOR in writing and forwards the final federal assistance payment or when the CONTRACTOR'S remittance of the proper refund or repayment has been acknowledged in writing by the CITY.

**Section 7. Contracts Under This Contract Agreement.** Unless otherwise authorized in writing by the CITY, the CONTRACTOR shall not assign any portion of the work to be performed under this contract agreement, or execute any contract amendment or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this contract agreement without the prior written concurrence of the CITY.

- a. The CONTRACTOR shall insure that every subcontract includes any clauses required by the contract agreement, federal statutes and implementing regulations.
- b. All contracts for services will be developed in accordance with the FTA's requirements for competition and/or private sector participation as referenced in the

guidance contained in Circular 4220.1F as amended entitled "Third Party Procurement".

- c. In no event shall this contract or equipment, materials and goods provided hereunder be treated as assets of the CONTRACTOR in any bankruptcy or similar proceeding.

**Section 8. Insurance.** The CONTRACTOR shall obtain insurance adequate to protect the Project's property and equipment, as well as public liability insurance. The CITY shall be named as loss payee for property and equipment purchased with Job Access Reverse Commute funds. The CONTRACTOR shall submit evidence of such insurance coverage including documentation of the solicitation process annually to the CITY or prior to beginning vehicle operations, and said coverage shall remain in effect at all times during the duration of the PROJECT.

The CONTRACTOR shall obtain and maintain at all times during the duration of the Project insurance coverages adequate to meet the appropriate requirement of the Federal Transit Administration, Mississippi Transportation Commission **or any successor agency**. In the absence of **these** requirements the following insurance coverages in the amounts apply:

Comprehensive general liability insurance in an amount not less than one million dollars (\$1,000,000.00), including coverage for blanket contractual liability, broad form property damage, personal injury and bodily injury (including illness, disease and death), and products/completed operations; and

Comprehensive automobile liability insurance, including hired and non-owned vehicles, in an amount not less than one million dollars (\$1,000,000.00), covering bodily injury and death and property damage; and

Blanket employee fidelity bond insurance in an amount not less than fifty thousand dollars (\$50,000.00); and

Workers' compensation insurance in the amount required pursuant to the laws of the State of Mississippi.

All insurance policies required herein shall be issued by a reputable and substantial insurance company or companies licensed to do business in the State of Mississippi, and shall include an endorsement providing substantially as follows:

Insurer may not cancel this policy, modify or amend its terms or reduce coverage for a period of sixty (60) days after the City of Hattiesburg has been notified by certified mail, return receipt requested, of the Insurer's intention to cancel, modify, amend or reduce the coverage.

The CONTRACTOR shall immediately notify the CITY in writing of any notices from insurer concerning cancellation or reduction in insurance coverages.

The CITY shall be named as loss payee for property and equipment purchased with Job Access Reverse Commute funds on or before the inception of the Period of Performance of this Contract Agreement, the CONTRACTOR shall deliver to the CITY a Certificate or Certificates of Insurance, certifying the types and amounts of coverages required herein, the loss payee and the required endorsement.

**Section 9. Contract Changes.** Modifications, changes or amendments to this Contract may be made upon mutual agreement of the parties hereto. However, any change, supplement,

modification or amendment of any term, provision or condition of this Contract must be in writing and signed by both parties hereto.

**Section 10. Compliance with Applicable Laws, Regulations and Certifications.** The CONTRACTOR shall, in providing these services, comply with all federal and state laws, licensing standards and other regulations applicable to the provision of these services.

**Section 11. Responsibility for Claims and Liabilities.** The CONTRACTOR shall indemnify, defend and hold harmless the CITY DEPARTMENT and all its officers, agents and employees from any claim, loss, damage, cost, charge or expense (including, but not limited to, any type of environmental claim, loss, damage cost charge or expense) arising out of any negligent act, actions, neglect or omission by the CONTRACTOR, its agents, employees, or subcontractors during the performance of this CONTRACT, whether direct or indirect, and whether to any person or property for which CITY or said parties may be subject.

CONTRACTOR'S obligation to indemnify, defend, and pay for the defense, or at the CITY'S option, to participate and associate with the CITY in the defense and trial or arbitration of any damage claim, lien or suit and any related settlement negotiations shall be initiated by the CITY'S notice of claim for indemnification to CONTRACTOR. The CONTRACTOR'S evaluation of liability, or its inability to evaluate liability, shall not excuse CONTRACTOR'S duty to defend. Only an adjudication or judgment after the highest appeal is exhausted specifically finding the CITY entirely responsible shall excuse performance of this provision by the CONTRACTOR. In such case CITY shall pay all costs and fees related to this obligation and its enforcement. Should there be a finding of dual or multiple liability, costs and fees shall be apportioned accordingly.

In conjunction herewith, the CITY agrees to notify CONTRACTOR as soon as practicable after receipt or notice of any claim involving CONTRACTOR. These indemnities shall not be limited by reason of the listing of any insurance coverage below.

The CITY shall have no liability for any claim or claims or any threatened claim or threatened claims of any nature, including without limiting the generality of the foregoing provisions, consequential, special, or other damages.

**Section 12. Disputes.** Any dispute concerning a question of fact in connection with the PROJECT which is not disposed of by agreement shall be arbitrated by the Executive Director of the Metropolitan Planning Organization or such person as the Executive Director may designate on behalf of the Metropolitan Planning Organization. The decision of the Executive Director or his/her designee shall be final and conclusive, unless within 15 days from the date of receipt of the decision, the CONTRACTOR submits a written request for review of the decision. In that event, the CONTRACTOR shall be provided an opportunity to be heard on the review and offer evidence in support of the CONTRACTOR'S position regarding the decision. The decision of the Executive Director on the review shall be final and conclusive unless determined by a court of competent jurisdiction to be unlawful for the reason it was not supported by any substantial evidence, was fraudulent or capricious. Until a final determination is made, the CONTRACTOR shall proceed forthwith with the performance of the CONTRACTOR'S duties under the contract pursuant to the Executive Director's decision.

**Section 13. Termination of Contract Agreement.** This Contract Agreement may be terminated at any time by mutual consent of both parties. The CONTRACTOR may terminate its participation in the PROJECT by notifying in writing and receiving the concurrence of the CITY forty-five (45) days in advance of the termination. The CITY may terminate the Contract

Agreement by giving the CONTRACTOR fifteen (15) days advance written notice in the event of determination by the CITY of nonperformance or any breach of any terms of the contract agreement by the CONTRACTOR. The CITY, before issuing written notice of Contract Agreement termination, may allow the CONTRACTOR forty-five (45) days to correct the problems identified. If the CITY makes the determination that this Contract Agreement should be terminated due to (a) insufficient performance, (b) a violation of Section 4 of this contract, or any other provision, or (c) a misuse of the funds or equipment provided under this Contract Agreement, then it is agreed that this Contract Agreement shall be terminated upon fifteen (15) days notice in writing from the CITY to the CONTRACTOR. The CONTRACTOR shall be entitled to receive compensation for eligible expenses approved by the CITY, prior to receiving the termination notice.

CONTRACTOR'S termination of any services heretofore approved through this Contract Agreement requires prior written notification to the CITY concurrence and that, at a minimum, CONTRACTOR shall provide thirty (30) days written notice of termination of services published in a newspaper having local circulation, and shall post on all Project vehicles and mail to subcontractors and provide to all passengers such written notice of termination of services.

The CITY shall have the absolute right to terminate the project contract at any time, for any reason, and in such event the CITY'S obligations and liability hereunder shall be limited solely to payment of any compensation due CONTRACTOR as stated in this Section.

**Section 14. Interest of Members of or Delegates to Congress.** No member of or delegate to the Congress of the United States shall be admitted to any share or part of this Contract Agreement or to any benefit arising therefrom.

**Section 15. Prohibited Interest.** No member, officer, or employee of the CITY or of the CONTRACTOR shall have any interest, direct or indirect, in this Contract Agreement or the proceeds therefrom.

**Section 16. Identification of Documents.** All published reports and other documents completed as a part of this Contract Agreement, other than documents exclusively for internal use by the parties hereto, must contain the following disclosure on the inside front cover:

**"This document is disseminated under the sponsorship of the U.S. Department of Transportation in the interest of information exchange. The United States Government, the Mississippi Department of Transportation nor the City of Hattiesburg, Mississippi assumes liability for the contents or use thereof".**

**Section 17. Public Notice Process for Fare/Service Changes.** Section not applicable, as the rates included in Exhibit B apply throughout the term of the agreement.

**Section 18. Civil Rights.** During the performance of this Contract Agreement, the CONTRACTOR, for itself, its assignees and successors in interest, agrees as follows:

- a. **Compliance with Regulations:** The CONTRACTOR shall comply with Title VI of the Civil Rights Act of 1964, as amended, the Regulations of the UNITED STATES DEPARTMENT of TRANSPORTATION (USDOT) relative to nondiscrimination in federally assisted programs (Title 49, Code of Federal Regulations, Part 21, and 25-28 CFR 710.405 (b), as amended, hereinafter referred to as the REGULATIONS), and Assurances pursuant thereto which are herein incorporated by reference and made a part of this contract.

- b. Nondiscrimination: The CONTRACTOR, with regard to the work performed during the contract, shall not discriminate on the grounds of sex, age, race, religion, color, disability or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The CONTRACTOR shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR Part 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
- c. Solicitations for Subcontract, Including Procurement of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by the CONTRACTOR for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the CONTRACTOR of the CONTRACTOR'S obligations under this Contract Agreement and the Regulations relative to nondiscrimination on the grounds of race, color, national origin, or sex.
- d. Information and Reports: The CONTRACTOR shall provide all information and reports required by the Regulations, or orders and instructions issued pursuant thereto, and shall permit access to its books, records, accounts, and other sources of information, and its facilities as may be determined by the CITY or FTA to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a CONTRACTOR is in the exclusive possession of another who fails or refuses to furnish this information, the CONTRACTOR shall so certify to the CITY or FTA as appropriate, and shall set forth what efforts it has made to obtain the information.
- e. Sanctions for Non-compliance: In the event the CONTRACTOR'S non-compliance with the nondiscrimination provisions of this Contract Agreement, the CITY shall impose such contract sanctions as provided by law and as it or FTA may determine to be appropriate, including, but not limited to:
  - (1) withholding or discontinuing further reimbursements, other funding and/or
  - (2) cancellation, termination or suspension of the Contract Agreement, in whole or in part.
- f. Incorporation of Provisions: The CONTRACTOR shall include the provisions of paragraph (a) through (e) of this section in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations, order, or instructions issued pursuant thereto. The CONTRACTOR shall take such action with respect to any subcontract or procurement as the CITY or FTA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the CITY and the CONTRACTOR may request the United States to enter into such litigation to protect the interest of the United States.
- g. Disadvantaged Business Enterprise (DBE). It is the policy of the City of Hattiesburg to comply with the requirements of 49 CFR, Part 26, to prohibit unlawful discrimination, to meet its goal for DBE participation, to meet that goal whenever possible by race-neutral means, to create a level playing field, and to achieve that amount of DBE participation that would be obtained in a non-discriminatory market place. To meet that objective in any United States Department of Transportation assisted contracts, the parties shall comply with the adopted DBE Program.

Neither the CONTRACTOR nor any sub-recipient or sub-contractor shall discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The CONTRACTOR shall carry out applicable requirements of 49

CFR, Part 26 in the award and administration of United States Department of Transportation assisted contracts. Failure of the CONTRACTOR to carry out those requirements is a material breach of the contract which may result in the termination of this contract or such other remedies as the CITY deems appropriate. The following provisions are applicable:

(1) The CONTRACTOR shall be responsible for meeting the applicable regulations regarding participation by Disadvantaged Business Enterprises (DBE) in the Department of Transportation programs set forth in 49 CFR, Part 26, or any revision or supplement thereto. Pursuant to the requirements of 49 CFR, Part 26, the following statements regarding disadvantage business enterprises are included in, and made a part of this Contract Agreement:

(a) Policy. It is the policy of the United States Department of Transportation (USDOT) and the DEPARTMENT that disadvantaged business enterprises as defined in 49 CFR, Part 26 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds under this Contract Agreement. Consequently, the DBE requirements of 49 CFR, Part 26 apply to this Contract Agreement.

(b) DBE Obligation. The DEPARTMENT and the CONTRACTOR agree to ensure that disadvantaged business enterprises as defined in 49 CFR, Part 26 have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds provided under this contract agreement.

In this regard the DEPARTMENT and the CONTRACTOR shall take all necessary and reasonable steps in accordance with 49 CFR, Part 26 to ensure that disadvantaged business enterprises have the maximum opportunity to compete for and perform contracts that relate to this Contract Agreement. The DEPARTMENT and CONTRACTOR shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of contracts using Job Access Reverse Commute funds.

(2) As a condition of assistance, the DEPARTMENT has submitted and received approval of a Disadvantaged Business Enterprise Program (DBE), that was developed consistent with guidance contained in the Federal Register 49 CFR, Part 26. This program shall be treated as a legal obligation and failure to carry out its terms shall be treated as a violation of this financial assistance contract agreement. Upon notification to the CONTRACTOR of its failure to carry out the approved program, the CITY shall impose such sanctions as noted in 49 CFR, Part 26, which sanctions may include termination of the agreement or contract by the CONTRACTOR or such remedy as the CONTRACTOR deems appropriate.

(3) The CONTRACTOR shall advise each recipient, contractor, and subcontractor that failure to carry out the requirements set forth in 49 CFR, Part 26 shall constitute a breach of contract and, after the notification to the CITY, may result in termination of the agreement or contract by the CONTRACTOR or such remedy as the CONTRACTOR deems appropriate.

(4) The CONTRACTOR shall take action concerning DBEs as follows:

(a) The CONTRACTOR shall not exclude DBEs from participation in business opportunities by entering into long-term, exclusive agreements with non-

- DBEs for operation of major transportation-related activities, for the provision of goods and services to the facility or to the public on the facility.
- (b) A CONTRACTOR that is required to submit affirmative action programs under 49 CFR, Part 26 that has business opportunities for leases shall submit to the CITY for approval their programs' overall goals for the participation as lessees of firms owned and controlled by disadvantaged persons. These goals shall be for a specified period of time and shall be based on the factors listed in 49 CFR, Part 26. The CONTRACTOR shall review these goals at least annually, and whenever the goals expire. The review shall analyze projected versus actual DBE participation during the period covered by the review and any changes in factual circumstances affecting the selection of goals. Following each review, the CONTRACTOR shall submit new overall goals to the CITY for approval. A CONTRACTOR that fails to meet its goals for DBE lessees shall demonstrate to the CITY in writing that it made reasonable efforts to meet the goals.
  - (c) Except as provided in this section, the CONTRACTOR is required to include lessees in affirmative action programs. Lessees themselves are not subject to the requirements of the Part 26, except for the objective of 49 CFR, Part 26 to avoid discrimination against DBEs.

**Section 19. Equal Employment Opportunity.** In connection with the execution of this Contract Agreement, the CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, religion, color, sex age, disability, or national origin. The CONTRACTOR shall comply with Executive Order 11246 as amended by Executive Order 11375, and as supplemented by DOL regulations (41 CFR, Part 60) and shall take affirmative action to ensure that applicants are employed, and that employees are treated during their employment, without regard to their race, religion, color, sex age, disability, or national origin. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff, or termination; rates of pay, or other forms of compensation; and selection for training, including apprenticeship.

**Section 20. Section 504 and ADA Requirements.** The CONTRACTOR shall comply with all the requirements imposed by Section 504 of the Rehabilitation Act of 1973 (P.L. 93.112, 29 U.S.C. 794 et seq.); the Americans with Disabilities Act of 1990 (P.L. 101-336, 42 U.S.C 12101 - 12213), the Regulations of the United States Department of Transportation issued thereunder (49 CFR, Part 27), the Americans with Disabilities Act of 1990 (ADA) (49 CFR, Parts 27, 37 and 38) and the Assurance by the CONTRACTOR pursuant thereto, including any amendments.

**Section 21. Immigration Reform and Control Act of 1986.** *CONTRACTOR represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act, Section 71-11-1, et seq of the Mississippi Code Annotated (Supp 2008), and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. CONTRACTOR agrees to maintain records of such compliance and, upon request of the State and approval of the Social Security Administration or Department of Homeland Security, where required, to provide a copy of each such verification to the State. CONTRACTOR further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. CONTRACTOR understands and agrees that any breach of these warranties may subject CONTRACTOR to the following: (a) termination of*

*this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to CONTRACTOR by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, CONTRACTOR would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit. The CONTRACTOR is solely responsible for compliance with the requirements of the Mississippi Employment Protection Act.*

It is agreed by the parties that no person employed by the CONTRACTOR pursuant to the provisions hereof will be considered an agent or employee of the CITY.

It is further agreed by the parties that no provision of this Agreement is intended nor shall it be construed to give rise to a third party beneficiary claim on the person or entity not a party hereto.

**Section 22. Section 13(c) Labor Standards.** In connection with the execution of this contract, the CONTRACTOR shall protect the interest of employees affected by federal assistance as part of the Project, as provided by Section 13(c) of the Federal Transit Act of 1991, and Section 5333 (b) as amended, and the assurance by the CONTRACTOR pursuant thereto. The CONTRACTOR shall be financially responsible for the application of the conditions of Section 13(c). Additionally; the DEPARTMENT shall ensure, as a precondition to the receipt of assistance, that the CONTRACTOR agrees that the following terms and conditions shall apply for the protection of employees in the mass passenger transportation industry in the service area of the PROJECT:

- a. The PROJECT shall be carried out in such a manner and upon such terms and conditions as will not adversely affect employees in the mass passenger transportation industry within the service area of the PROJECT. The "service area" as used herein, includes the geographic area over which the PROJECT is operated and the area whose population is served by the PROJECT, including adjacent areas affected by the PROJECT;
- b. All rights, privileges, and benefits (including pension rights and benefits) of employees (including employees already retired) shall be preserved and continued;
- c. The CONTRACTOR shall be financially responsible for any deprivation of employment or other worsening of employment position as a result of the PROJECT;
- d. In the event an employee is terminated or laid off as a result of the PROJECT, he shall be granted priority of employment or reemployment, the CONTRACTOR shall provide or provide for such training or retraining at no cost to the employee;
- e. Any employee who is laid off or otherwise deprived of employment or placed in a worse position with respect to compensation, hours, working conditions, fringe benefits, or rights and privileges pertaining thereto at any time during his or her employment as a result of the PROJECT, including any program of efficiencies or economies directly or indirectly related thereto, shall be entitled to receive any applicable rights, privileges and benefits as specified in the employee protective arrangement, known as C-1, certified by the Secretary of Labor under Section 405(b) of the Rail Passenger Service Act of 1970 on April 16, 1971 (See Appendix C-1, a copy of which is included on the Department's website.)  
An employee shall not be regarded as deprived of employment or placed in a worse position with respect to compensation, etc., in case of his or her resignation, death, retirement, dismissal for cause, or failure to work due to disability or discipline. The phrase "as a result of the PROJECT" as used herein shall include events occurring in anticipation of, during, and subsequent to the PROJECT;
- f. In the event any provision of these conditions is held to be invalid or otherwise unenforceable, the CONTRACTOR, the employees and/or their representatives may

invoke the jurisdiction of the Secretary of Labor to determine substitute fair and equitable employee protective arrangements which shall be incorporated in these conditions;

- g. The CONTRACTOR agrees that any controversy respecting the PROJECT'S effects upon employees, the interpretation or application of these conditions and the disposition of any claim arising hereunder may be submitted by any party to the dispute including the employees or their representative for determination by the Secretary of Labor, whose decision shall be final.

In the event of any dispute as to whether or not a particular employee was affected by the PROJECT relied upon. It shall then be the burden of the CONTRACTOR to prove that factors other than the PROJECT affected the employee. The claiming employee shall prevail if it is established that the PROJECT had an effect upon the employee even if other factors may also have affected the employee;

- h. The CONTRACTOR shall maintain and keep on file all relevant books and records in sufficient detail as to provide the basic information necessary to the making of the decisions called for in the preceding paragraph;
- i. The CONTRACTOR will post, in a prominent and accessible place, a notice stating that the CONTRACTOR is a recipient of Federal assistance under the Federal Transit Act and has agreed to comply with the provisions of 49 U.S.C., Section 5333(b). The notice shall specify the terms and conditions set forth herein for the protection of employees; and
- j. The protective arrangements certified by the Secretary of Labor are intended for the primary and direct benefit of transit employees in the service area of the PROJECT. These employees are intended third-party beneficiaries to the employee protective arrangements of the grant contract between the U.S. Department of Transportation and the CITY/CONTRACTOR, and the parties to the contract so signify by executing that contract. Such transit employees are also third-party beneficiaries to the protective arrangements incorporated in any subsequent contract(s) of assistance between the CITY and any CONTRACTOR(s). Employees, or their representative on their behalf, may assert claims with respect to the protective arrangements under this provision. This clause creates no independent cause of action against the United States Government.

**Section 23. Other Labor Provisions.** The CONTRACTOR shall be responsible for meeting all statutory and regulatory provisions of the "Contract Work Hours and Safety Standards Act", including, but not limited to meeting the statutory requirements of 40 U.S.C. 3701 et seq., and 40 USC 3141 et seq., as amended and regulations set forth at 29 CFR Parts 4, 5, 6 and 70 through 240, as amended, for non-construction contracts of \$2,500 or more that involve the employment of mechanics or laborers. The prime CONTRACTOR shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs a. through e. of this paragraph.

f. Furthermore, the CONTRACTOR is responsible for providing Worker's Compensation for its employees.

**Section 26. Settlement of Third Party Contract Disputes or Breaches.** FTA has a vested interest in the settlement of disputes, defaults, or breaches involving **JOB ACCESS REVERSE COMMUTE** federally assisted third party contracts. FTA retains a right to a proportionate share, based on the percentage of the federal share committed to the Project, of any proceeds derived from any third party recovery. Therefore, the CONTRACTOR shall avail itself of all legal rights available under any third party contract. The CONTRACTOR shall notify the CITY of any current or prospective litigation pertaining to any third party contract. The CITY and FTA reserves the right to concur in any compromise or settlement of the CONTRACTOR'S claim(s) involving any third party contract, before making Federal assistance available to support that settlement. If the third party contract contains a liquidated damages provision, any liquidated damages recovered shall be credited to the Project account involved unless the CITY and FTA permit otherwise.

**Section 27. Private Sector Participation.** The CONTRACTOR agrees to abide by the private sector participation guidance contained in the FTA's private sector policy of October 22, 1984 and any amendments thereto, and the Hattiesburg-Petal-Forrest-Lamar Metropolitan Planning Organization's (MPO) Public Participation Plan (PPP) to ensure that private for-profit, private non-profit and other public agencies are provided reasonable notice to present their views concerning local plans, program and projects.

- a. The CONTRACTOR shall provide information necessary for the CITY to make the required assurance to the FTA; and
- b. The CONTRACTOR must develop and implement a procedure that ensures the MPO is notified and involved in any plan, program or project changes in a way that complies with the PPP.

**Section 28. Ethics.** The CONTRACTOR shall maintain a written code or standards of conduct that shall govern the performance of its officers, employees, or agents engaged in the award and administration of contracts supported by Federal funds. Such code or standards shall provide that no employee, officer, or agent of the CONTRACTOR shall participate in the selection, or in the award, or in the administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when any of the parties set forth below has a financial or other interest in the firm selected for award:

- a. the employee, officer, or agent;
- b. any member of his or her immediate family;
- c. his or her partner; or
- d. an organization that employs, or is to employ, any of the above.

The code or standards shall also provide that the CONTRACTOR'S officers, employees, or agents shall neither solicit nor accept gratuities, favors or anything of monetary value from subcontractors, potential subcontractors, or parties to the subcontracts. The CONTRACTOR may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State, Federal or local law, policies, rules and regulations, such code or standards of conduct shall provide for penalties, sanctions, or other disciplinary actions for violations of such code or standards by the CONTRACTOR'S officers, employees, or agents, or by subcontractors or their agents.

**Section 29. Effective Date.** The effective date of this Contract Agreement shall be the date identified in the period of performance as defined in Section 3 of this contract agreement.

**Section 30. Bonding.** Along with this contract, the applicant shall file with the CITY a copy of its Fidelity Bond or a Certified Letter acknowledging that a Fidelity Bond is in effect covering the CONTRACTOR against the loss of money and securities or other properties in the amount of at least \$50,000, prior to the inception of this Contract Agreement.

**Section 31. Certification Regarding Suspension and Debarment.** The undersigned CONTRACTOR certifies herein and by Certification attached hereto as part of Exhibit A and incorporated herein by reference to the best of his or her knowledge and belief that its principals:

- c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph b. of this certification; and
  - d. Have not within a three-year period preceding this application/proposal had one or more public transactions (federal, state or local) terminated for cause or default.

**Section 32. Certification Regarding Lobbying.**

- a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned CONTRACTOR, to any person for influencing or attempting to influence an officer or employee or an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant loan, or cooperative agreement.
- b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned CONTRACTOR shall complete and submit Standard Form-LLL. "Disclosure Form to Report Lobbying", in accordance with its instructions.
- c. The undersigned CONTRACTOR shall require that the language of this certification be included in the contracts and/or agreements at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. Section 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

**Section 33. Governing Law.** This Contract Agreement shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect thereto shall be brought in a court of competent jurisdiction in Forrest County, State of Mississippi. CONTRACTOR expressly agrees that under no circumstances shall the DEPARTMENT be obligated to pay an attorney's fee for the cost of legal action to or on behalf of the CONTRACTOR.

**Section 34. Program Fraud and False or Fraudulent Statements or Related Acts.**

a. The CONTRACTOR acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §3801 et seq. and U. S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of this Contract Agreement, the CONTRACTOR certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or cause to be made, pertaining to the contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim,

statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the CONTRACTOR to the extent the Federal Government deems appropriate.

b. The CONTRACTOR also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the DEPARTMENT or the Federal Government under a CONTRACT connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. §5307 as amended, the Government reserves the right to impose the penalties of 18 U.S.C. §1001 and 49 U.S.C. §5307 as amended, on the CONTRACTOR, to the extent the Federal Government deems appropriate.

c. The CONTRACTOR agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

**Section 35. Federal Changes.** CONTRACTOR shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Agreement, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to comply shall constitute a material breach of this contract.

**Section 36. Incorporation of Federal Transit Administration (FTA) Terms.** The preceding provisions include, in part, certain Standard Terms and conditions required by USDOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by USDOT, as set forth in the most current version of FTA Circular 4220.1F, dated November 1, 2008 as amended, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The CONTRACTOR shall not perform any act, fail to perform any act, or refuse to comply with any CITY requests which would cause the CONTRACTOR to be in violation of the FTA terms and conditions.

**Section 37. State and Local Law Disclaimer.** Since many of the clauses which are suggested for use by the CONTRACTOR in its procurement documents are affected by both state and federal law requirements, the CONTRACTOR understands that it should consult with its attorney in order to assure appropriate legal guidance regarding the preparation and wording of any of the legal documents it enters pursuant to this Contract Agreement, including, but not limited to, its procurement documents.

**Section 38. Substance Abuse.** The CONTRACTOR agrees to comply with Federal Transit Administration regulations concerning substance abuse as follows:

- a. The CONTRACTOR agrees to establish and implement a drug and alcohol testing program that complies with 49 CFR, Parts 655 as amended, produce any documentation necessary to establish its compliance and permit any authorized representative of the Department of the USDOT or the DEPARTMENT to inspect the facilities and records associated with the implementation of the program as required under 49 CFR, 655.
- b. The CONTRACTOR further agrees to certify annually its compliance with 49 CFR 655 at such time and in such format as the CITY may require.

**Section 39. Certifications and Assurances.** Certifications and Assurances by the CONTRACTOR are listed in Exhibit A (attached hereto and incorporated herein by reference and made a part hereof as if fully copied herein in words and figures).

**Section 40. No Government Obligation to Third Parties.** The CONTRACTOR acknowledges and agrees that, notwithstanding any concurrence by the Federal Government in our approval of the solicitation or award of the underlying contract:

- a. Absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities of the CONTRACT pertaining to any matter resulting from the underlying contract.
- b. The CONTRACTOR agrees to include the above clause in each subcontract funded in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor.

**Section 41. Buy America.** The CONTRACTOR agrees to comply with 49 U.S.C. 5323(j) and 49 C.F.R. Part 661 as amended, which provide that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 C.F.R. 661.7, and include final assembly in the United States for 15 passenger vans and 15 passenger wagons produced by Chrysler Corporation, and microcomputer equipment and software. Separate requirements for rolling stock are set out at 49 U.S.C. 5323(j)(2)(c) and 49 C.F.R. 661.11. Rolling stock must be assembled in the United States and have a 60 percent domestic content.

A bidder or offeror must submit to the CONTRACTOR the appropriate Buy America certification with all bids or offers on FTA-funded contracts, except those subject to a general waiver. Bids or offers that are not accompanied by a completed Buy America certification must be rejected as non responsive. This requirement does not apply to lower tier subcontractors.

**Section 42. Charter Service Operations.** The CONTRACTOR agrees to comply with 49 U.S.C. 5323(d) and 49 CFR Part 604 as amended, which provides that recipients and subrecipients of FTA assistance are prohibited from providing charter service using federally funded equipment or facilities if there is at least one private charter operator willing and able to provide the service, except under one of the exceptions at 49 C.F.R. 604.9. Any charter service provided under one of the exceptions must be "incidental," it must not interfere with or detract from the provision of mass transportation.

**Section 43. School Bus Operations.** Pursuant to 49 U.S.C. 5323(f) and 49 C.F.R. Part 605 as amended, recipients and subrecipients of FTA assistance may not engage in school bus operations exclusively for the transportation of students and school personnel in competition with private school bus operators unless qualified under specified exemptions. When operating exclusive school bus service under an allowable exemption, recipients and subrecipients may not use federally funded equipment, vehicles, or facilities.

**Section 44. Recycled Products-Recovered Materials.** The CONTRACTOR agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6962), including but not limited to the regulatory provisions of 40 C.F.R. Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR Part 247.

**Section 45. Notification of Federal Participation.** To the extent required by law, in the announcement of any third party contract award for goods or services (including construction services) having an aggregate value of \$500,000 or more, the CONTRACTOR agrees to specify the amount of Federal assistance intended to be used to finance that acquisition and to express that amount of that Federal assistance as a percentage of the total cost of that third party contract.

**Section 46. Entire Agreement.** This contract constitutes the sole and entire Agreement between the CITY and the CONTRACTOR with respect to the project hereof and supersedes any and all prior agreements, discussions and negotiations between the CITY and the CONTRACTOR.

**IN WITNESS WHEREOF**, this Contract Agreement has been executed by the CITY and by the CONTRACTOR, and is the requisite authorization for the individuals executing this contract agreement to execute and bind the parties hereto.
