HATTIESBURG HISTORIC CONSERVATION COMMISSION

Procedures for Public Hearing

- A. Speakers are asked to come forward and state their names and addresses and whom they represent prior to addressing the Commission. Only one speaker may address the Commission at one time. Speakers may ask questions of the Chair with the consent of the Chair. All presentations and arguments must bear directly, and without resort to personalities, on proposals immediately before the Commission. Those deemed by the Chair to be incompliant with these procedures shall be directed to stop speaking. No applause or other outbursts will be permitted. When procedural questions are raised, the Chair shall follow *Roberts Rules of Order*.
- B. The Chair will follow the agenda as approved, with applications for Certificates of Appropriateness presented in the order just approved. Following presentation of each application, others who wish to speak about the application under consideration may be recognized to speak.
- C. In order to make this public hearing a friendly process, we invite the applicants to come sit at the table with us to make your presentations. If you feel more comfortable standing, please do so. Other speakers who are recognized by the Chair may stand in place as long as they state their names and addresses for the public record.
- D. Following presentation of each application, the public hearing for that matter will close, and Commission members will discuss the application and presentations and then vote. Applicants may stay or leave following their presentations. Applicants or others do not participate in discussions of the Commission except in response to questions from the Chair.
- E. Applicants will receive written and/or email notification about the action taken by the Commission within a few days after the hearing. If the application is approved, the *Certificate of Appropriateness* issued by the commission may be obtained from the Historic Preservation Planner. This certificate must be signed prior to beginning work, or prior to the issuance of any permits, in order to be compliant with the Hattiesburg Historic Conservation Ordinance. It is the responsibility of the applicant to be sure their project complies with all applicable codes and ordinances.
